

## NOTICE OF APPLICATION

**\*CORRECTED\***

**\*UPDATED 1/12/2023:** The original notice of application incorrectly stated the number of total dwelling units as no less than five (5). The correct number is four (4) – please see the correction below in red. The issue date has been changed to January 12, 2023 with comments due on January 30, 2023.

### Project Summary:

*Located at 830 Wallowa Drive, the applicant is requesting Short Plat approval to subdivide the subject parcel of approximately 1.61 acres into three (3) residential lots with no less than **four (4)** total dwelling units. The lots range in size from 4,199 sq. ft. to 34,836 sq. ft.*

Notice is hereby given on this date: **January 12, 2023**, that the application/proposal described in this notice has been filed with the City of Walla Walla. The application/proposal may be reviewed at the City of Walla Walla Development Services office at 55 E. Moore St., Walla Walla, WA 99362, or online at:

<https://www.wallawallawa.gov/government/development-services/public-notice>

All interested persons and parties may comment on the application, receive notice of a hearing and/or a copy of decision(s) made on the proposal by filing a special notice request with the City of Walla Walla as provided in section 20.14.015 of the Walla Walla Municipal Code, and participate in hearings, if any.

The City of Walla Walla Development Services Department is using the optional threshold determination process under the State Environmental Policy Act (SEPA), authorized by WAC 197-11-355. The application comment period may be the only opportunity to comment on the environmental impacts of the proposal. A copy of the SEPA determination on the proposal may be obtained upon request. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an environmental impact statement is prepared. The SEPA responsible official has preliminarily determined that the proposal is subject to threshold determination requirements and the responsible official expects to issue the following threshold determination: Determination of Non-Significance (DNS).

The following identified existing environmental documents are hereby incorporated by

reference, and all or part of the documents may be used to evaluate the application/proposal:

- The Walla Walla Comprehensive Plan, Walla Walla 2040, and Final Environmental Impact Statement, issued May 22, 2018.
- Submitted SEPA checklist, dated July 28, 2022.

These documents are located at the offices of the City of Walla Walla Development Services at 55 East Moore St., Walla Walla, Washington, and shall be made available for public review during all applicable comment periods on the application/proposal. The relevant content of these documents is briefly described as an Environmental Impact Statement for the Walla Walla Urban Growth Area which evaluates proposed actions, alternatives, and environmental impacts of activities allowed by the Walla Walla Comprehensive Plan & Environmental Impact Statement, as amended, for designated land use classifications.
